FIRST CENTURY VOYAGES is pleased to announce our most alluring itinerary for 2020. Embark on one of the world's finest upscale river ships for a 7-day journey on the breathtaking Danube River and experience the performance of a lifetime: **Germany's Oberammergau Passion Play.**

Your spacious, well-appointed stateroom awaits on the luxurious AmaCerto, our floating five-star hotel for the journey. We'll take in the ever-changing scenery on deck (featuring a heated pool and walking track); it's the perfect venue for a quiet sunrise, evening cocktail, or an after dinner stroll. From the ship's kitchen, it's nothing but the finest gourmet and regionally-inspired cuisine, prepared and served by a top-notch staff.

Following a five-star hotel night and a day to explore history-rich **Budapest**, we'll come aboard the AmaCerto and head for ports of call in **Bratislava, Vienna, Linz, Regensburg** and **Nuremberg.** Interesting itinerary stops aside, you'll find opportunities to meander through

museums and castles, ride the countryside on a bicycle tour, shop the local boutiques, and/or taste the local cuisine—your personal time ashore offers ample excursion options. Visit Vienna's majestic Opera House or marvel at Melk Abbey; indulge in Bavarian specialties (beer, sausage, and pretzels!) or savor a wine tasting in the Wachau Valley...along the way, the choice is yours!

After more than a week of experiencing and exploring while drifting on the Danube, we'll disembark with a day to enjoy the city of **Munich.** As the grand finale, we have the distinct privilege to witness the Passion Play in the heart of **Bavaria.** Over 2,000 cast and crew members, comprised of Oberammergau village residents only, will assemble to bring the story to life right before our eyes, honoring an almost 400-year-old tradition. This once-in-a-decade production is not to be missed!

**Mark your calendars and plan to join us as we cruise the Danube in 2020!**
